BACK HYDRAFACIAL

60mins £350

Introducing the back HydraFacial, for that unloved hard to reach area. Whilst HydraFacial's are most commonly associated with the face, they are exceptionally effective for other body parts where pores can become clogged, and skin is not always given the TLC it deserves. We follow the 6 step Signature process and utilise the patented Vortex-Fusion delivery system that ensures your hardest to reach area is pristine. A particularly effective treatment for a variety of back conditions but also a very relaxing and satisfying procedure.

Maintenance	Once every six months for optimal results
Recovery Period	None

HAIR AND SCALP HYDRAFACIAL CAN BE USED FOR

Improved scalp hydration	Thinning hair
Helping with clogged follicles	Improving poor scalp circulation
Removing dead skin cells	

WHAT SHOULD I EXPECT?

Healthier, thicker, stronger, and fuller looking hair and a healthier scalp that will feel like it has just had a facial. When you leave the salon, you will be given a HydraFacial Keravive Scalp Health Spray which will enhance the benefits of the treatment and will deliver ongoing nourishment and stimulation.

PRICES

Single Treatment	£450
Course of 6	£1150

MORPHEUS8

120mins £750

Morpheus8 combines radiofrequency (RF) energy and microneedling to help reshape and contour your skin creating a smoother and more evenly balanced complexion. Small needles puncture the skin, and RF energy is simultaneously delivered creating micro abrasions that stimulate the body's natural healing response, promoting new collagen and elastin to produce firmer skin. Considered the ultimate non-surgical face lift.

TREATMENT OVERVIEW

Number of Treatments Required	Course of 3 recommended (1-2 months apart)
Anaesthetic Required	Yes
Recovery Period	Redness, soreness and mild bruising for up to 3 days

MORPHEUS8 CAN BE USED FOR

- Wrinkles and lines
- Skin Tightening
- Loose and sagging skin
- Collagen stimulation for anti-ageing
- Scarring

WHAT SHOULD I EXPECT?

Morpheus8 penetrates both the dermal and subdermal layers of the skin, which means the response is significant and the results are longer lasting. Ageing is both a natural and ongoing process so ongoing, periodic Morpheus8 treatments may be needed.

WHO IS IT FOR?

We always recommend a consultation first but if you have been concerned about the signs of ageing, fine lines, wrinkles, sagging skin and poor skin elasticity then Morpheus8 is likely a suitable treatment. Body areas can be decided during your consultation.

PRICES

Single Treatment	£750
Course of 3	£1900

DERMAPEN – SKIN MICRONEEDLING

75mins £350

Dermapen Skin Microneedling is a multi-purpose treatment that uses small needles to create micro punctures in the skins surface while simultaneously delivering a carefully designed mineral complex which stimulates the body's healing response and generation of new skin cells. As your skin begins to repair new collagen and elastin is produced presenting a more youthful and firm appearance.

At The Luxury Aesthetics Group, we use DP4 microneedling, the most advanced microneedling package available.

TREATMENT OVERVIEW

Number of Treatments Required	Course of 3 recommended, leaving 4 weeks in between
Anaesthetic Required	None
Post Treatment	Possible redness, mild flaking

DERMAPEN CAN BE USED FOR

Fine lines and wrinkles	Loose and sagging skin
Skin tone and condition	Stretch marks
Acne scarring	Mouth lines from smoking

WHAT SHOULD I EXPECT?

This is an excellent restorative procedure designed to stimulate collagen production which will plump, smooth, and resurface the skin, helping with a variety of conditions.

WHO IS IT FOR?

We always recommend a consultation where we will assess your needs and suitability for Dermapen treatment, but Dermapen is a widely used treatment that is suitable for most skin types and a variety of conditions and concerns. Body areas can be decided during your consultation.

PRICES

Face & Neck Single Treatment	£350
Course of 3	£900
Course of 6	£1600
Body areas	*Decided during consultation

MESOESTHETIC SKIN PEEL

60mins £150

Mesopeel is the most advanced range of professional skin peels available, based on medical grade acids such as AHAs and BHAs. Given the totally bespoke nature of peel chosen at Gielly Green, it enables the specific targeting of various skin concerns, conditions, and imperfections.

As no two clients are the same no two skin peels should be either.

TREATMENT OVERVIEW

Number of Treatments Required	Course of 6 recommended
Anaesthetic Required	No
Post Treatment	Possible redness 24/48 hrs, mild flaking

SKIN PEELS CAN BE USED FOR

Fine lines and wrinkles	Pigmentation
Acne	Blackheads
Enlarged pores	Oily Skin

WHAT SHOULD I EXPECT?

A tighter, more toned, and defined jawline – Simple but highly effective

WHO IS IT FOR?

As always, a consultation is recommended but skin peels are one of the most widely used treatments and suitable for most skin types and a variety of skin conditions.

PRICES

Single Treatment	£150
Course of 6	£750

PROFHILO

60mins £550

Profhilo is a Hyaluronic Acid (HA) award winning skin bio-remodelling treatment that is considered one of the most effective. It is an injectable treatment that uses high concentrations of naturally occurring HA to boost and hydrate the skin as well as improving skin laxity and overall texture and tone. Profhilo is NOT a dermal filler.

Profhilo is also known as the under-skin moisturiser.

TREATMENT OVERVIEW

Number of Treatments Required	Course of 2 (4 weeks apart)
Anaesthetic Required	Yes
Post Treatment	Mild bruising and inflammation

PROFHILO CAN BE USED FOR

Fine lines and wrinkles	Skin firmness
Sagging and thinning skin	Sun damaged skin

WHAT SHOULD I EXPECT?

A healthier, more radiant, and youthful complexion. Profhilo boosts both collagen and elastin as such you should see significant improvements in your overall skin condition.

WHO IS IT FOR?

As always, a consultation is recommended but Profhilo is suitable for most skin types. If you have lax, thin, sun damaged skin Profhilo is likely a good option to consider.

PRICES

Course of 2 | £550

MESOTHERAPY

30mins £1200 x 6

Mesotherapy is one of the most popular facial, scalp and body treatments offered due to its minimally invasive nature. A series of vitamins, minerals, amino acids, and hyaluronic acids are delivered by injection into the skin's mesoderm, the layer of the skin where cell regeneration and repair takes place.

TREATMENT OVERVIEW

Number of Treatments Required	Course of 6 recommended, every 1-2 weeks
Anaesthetic Required	None
Post Treatment	Nothing of note

MESOTHERAPY CAN BE USED FOR

Overall skin health	Excess and unwanted fat
Superficial wrinkles	Skin rehydration
Tired, dull looking skin	Hair and scalp health
Boost and glow	

WHAT SHOULD I EXPECT?

We always recommend a consultation first to ensure that you have no individual allergies to the treatment cocktail but in general it is suitable for most people and all skin types.

WHO IS IT FOR?

Depending on the area treated you could see thicker hair and a healthier scalp, tighter firmer and rejuvenated skin or reduced wrinkles and a reduction in excess fat. Body areas can be decided during your consultation.
